John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Luxury Brand Management: A World of Privilege (2nd Revised edition), Michel Chevalier, Gerald Mazzalovo, The definitive guide to managing a luxury brand, newly revised and updated What defines a luxury brand? But this definition is inherently restrictive, failing to take into account the way in which luxury brands today are increasingly identified as such by their placement in stores and how consumers perceive them. This revised and updated edition of *Luxury Brand Management*, the first comprehensive book on luxury brand management, looks at the world of branding today. Packed with new information covering the financial crisis's impact on luxury brands, and looking towards a new period of growth, the book reconciles management, marketing, and creation with real-life examples and management tools that the authors have successfully used in their professional careers. Includes dedicated chapters focusing on each of the main functions of a luxury brand, including brand creation, the complexity of managing brand identity, the convergence of arts and brands, and much more Addresses the practical functions that can make or break bottom lines and affect brand perception, such as distribution, retailing, logistics, and licensing Focuses on brand life-cycle, brand identity, and licensing issues A compelling and comprehensive examination of the different dimensions of luxury management in various sectors, this new edition of the classic text on brand management is essential reading for anyone working with or interested in making the most...
