

Aliens in Ancient Egypt: The Brotherhood of the Serpent and the Secrets of the Nile Civilization

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Aliens in Ancient Egypt: The Brotherhood of the Serpent and the Secrets of the Nile Civilization, Xaviant Haze, The sophisticated civilization of ancient Egypt arose seemingly overnight, complete with advanced levels of art, agriculture, astronomy, and physics. Then, with the death of Pharaoh Akhenaten, much of this higher knowledge was lost--or suppressed. But evidence of this former Golden Age, the alien visitors behind its rise, and those behind its decline still exists--some of it in plain sight. Examining the purposefully obscured reign of Akhenaten and Nefertiti, Xaviant Haze explains how they represent the last dynasty with access to the sacred knowledge of stargates, free energy, and antigravity technologies, knowledge handed down from an advanced interstellar race in the remote past. He reveals how the reptilian race known as the Shemsu Hor infiltrated the Egyptian priesthood and banking systems and formed the Brotherhood of the Snake--a secret society set on destroying Akhenaten's flourishing kingdom and suppressing the sacred knowledge of the pharaohs. Haze examines the evidence of aliens in ancient Egypt, such as the reptilian beings depicted in the Temple of Hathor and Thutmose III's alien encounter. He shows how Akhenaten and his family are always portrayed with elongated skulls and explores the connection between ancient aliens and Mars, including the Martian materials used in Egyptian monuments. He explains the original purpose of the pyramids--to transmit uplifting energy throughout the planet to help expand consciousness--and explores how they were decommissioned after the Great Flood of prehistory. He reveals how the original builders of the pyramids foresaw humanity's fall from the Golden Age and strategically encoded these magnificent structures to wake humanity from the depths of the Dark Ages.
