Enhancing Competency of Teachers is a fundamental teaching-and-learning guide. Its main goal is to learn and develop an enhanced value system (EVS) and practice it in everyday life. Filipinos are known worldwide for being friendly and hospitable. However, without limitations, these traits become the roots of corruption in all sectors of Philippine life. This book outlines the sequence of logical modules in teaching-and-learning enhancement programs (TLEP) in the school settings. It is designed for learners in all educational levels, to enhance competencies and effectiveness in human resource development and training. It contains concepts, principles, and strategies for effective teaching and learning. The Ethico-Moral Theory in Learning provides five sets of significant rules in learning ethicomoral values to become genuine professionals.
