Their numbers include mediums, spirit-talkers and even actual ghosts. For a price, they'll cross the veil for you, to resolve lost causes or quiet restless spirits. But be careful, for the dead aren't to be trifled with, and in the end your payment may come in blood. Haunting the Dead presents four all-new novellas from some of the most exciting voices in modern horror fiction, set in the world of Orpheus, White Wolf's game of paranoia and the paranormal. Agents of the conspiracy known as Orpheus can see the dead, but can they trust these spectres and banshees? And what of the voice that squawks through dead channels, warning of a disaster on the horizon?.
