Chrechte wolf shifter Caelis turned his back on his human lover Shona so that he could remain loyal to his pack. Six years later, he thinks she's dead. He's wrong. After being rejected by Caelis, Shona was forced to marry an English baron. Now she's on the run from the deceased baron's heir. Determined to protect her children, she heads north to Balmoral Island, to the only family she has left. And runs into the one man she never wants to see again and the only one who might be able to save her. As powerful and charismatic as ever, Caelis has been charged with saving his pack from the corrupt laird ruling them. This time, however, he refuses to abandon his sacred mate. He lost Shona once and swears he will never be separated from her again. Passion and love urge Shona to join him. But she has to wonder if she truly comes before the pack, or if nothing has changed at all.
