

## The Battle for the Etheric Realm: Moral Technique and Etheric Technology - Apocalyptic Symptoms (2nd Revised edition)

By Nick Thomas, Johanna Collis

Temple Lodge Publishing. Paperback. Book Condition: new. BRAND NEW, The Battle for the Etheric Realm: Moral Technique and Etheric Technology - Apocalyptic Symptoms (2nd Revised edition), Nick Thomas, Johanna Collis, Using an accessible question-and-answer format, this short but focused book tackles themes relating to the etheric - or life - realm. What is etheric technology? What are the impacts of radioactivity and atomic energy? How should we read apocalyptic symptoms in science and society? In a fascinating series of discussions Nick Thomas examines a range of concepts, including: the right and wrong ways to develop an etheric technology; spiritual events in the etheric realm; how the physical world works into the etheric world and vice versa; Rudolf Steiner's 'Strader machine'; the nature of truth and lies; attacks by the adversaries on forces of vitality; and humanity's crossing of the threshold to the spiritual world. His explanations and ideas help to evoke a living picture of a great struggle between forces of good and evil, with the future of humanity and the Earth at stake.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- Prof. Kirk Cruickshank DDS
