Createspace, United States, 1915. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Visions of hell is a must read for all Christians and nonbelievers. Many of us have glowing expectations of going to heaven when we pass on. Is it true? Are we worthy of heaven? Each person must define their own relationship with God to determine what s to come at the end of this life. If you re not a believer in God, Visions of Hell is an eye opener of what is in store for you and why it s time to start thinking about the world that awaits. Writings in the bible clearly define the relationship Jesus wants us to follow if we seek the pleasures of Heaven. We have all speculated about the hereafter, whether we believe in heaven or hell. Read the accounts of people who teetered between the life as we know and the process of hell. A few have ventured into the heavenly light of eternity and returned, but very few have glimpsed into the torrid pits of Hell and returned to talk about it. Read mystifying stories of people who have died and were brought back to life after visiting the house of the devil. Their vision of the devil s home will leave you speechless.
