Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s autumn in Michigan, and the leaves are dripping with color-blood red. A killer with a penchant for collecting souvenirs from his victims has struck three times, each following a torrential rainstorm. And more storm clouds are building on the horizon. While horseback riding in a remote state park, amateur sleuth Carol Ward literally stumbles across one of the victim s graves and discovers the killer s calling card nearby: a tree decorated with the dead person s pilfered belongings. Carol begins investigating, but it s soon apparent that someone doesn t want her to find the truth. Cryptic death threats written in lipstick appear on her bathroom mirror, and a gift-boxed snake is delivered to her home. Carol has a single clue to go on. She knows the killer wears a full-length, waxed Australian coat. But at least five people in this small town own such a coat, including the hot-tempered sheriff who warned Carol to quit nosing around. With rain in the forecast, Carol fears the murderer is about to strike again-and she may be all that stands between the killer and his next victim.
