BRAND NEW, From Business Cards to Business Relationships: Personal Branding and Profitable Networking Made Easy (2nd Edition), Allison Graham, Want to supercharge your life? Effective networking is the answer and this book will teach you how. Professionals of all stripes and ages are told to 'get out there' and network so they can build their careers, grow their businesses and elevate their influence in the community, but they are rarely taught the skills to do that. Most people are lost, intimidated by the idea of presenting their own personal brand, and frustrated when it comes to networking. No cheesy gimmicks or high-pressure nonsense, just the skills and knowledge that will create success for anyone willing to do the work and follow this advice. Regardless of your past experience or current level of connectivity, your industry or profession, whether you're an entrepreneur or climbing the corporate ladder: you can accomplish whatever you want by...
