Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

The scheme of the work is to mention all particulars requiring special attention in dealings with land in the County, from the Contract and Conditions of Sale up to the Completion of Registration, the ordinary law and practice being assumed to be known. Where reference is made to decisions on the Yorkshire or Irish Acts, it may be assumed that the Statutes are substantially identical, unless otherwise stated. The aim of the work being merely to furnish a practical statement of the existing law and practice, all discussion respecting the general policy of the Act, and the decisions which have followed it, has been studiously avoided. The recent changes are also stated without comment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
