Book 4: Kerosene Lamps

By Ron Brown

Rc Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. This book covers wick-type kerosene lamps and lanterns. It's for users, not antique dealers. How can we generate LIGHT? That is the question. Fuel substitutes, safety, operating procedures, maintenance, repair, and various lamp styles are the topics. Things to look for when buying used. Cost effectiveness. Homemade lamps. Candlepower. Those are the subjects discussed. Collector value? Never mentioned. This book covers, of course, the simple flat-wick lamps sold today in every Walmart and Family Dollar. But there's quite a bit more to it than that. As a young adult, I happened to be at my parents' home one evening when a blackout occurred. My mother sent me to check on an elderly woman, a 90-year-old family friend, who lived alone. When she came to the door, I was dazzled by the kerosene lamp she had burning in the living room. Whereas the kerosene lamp my parents kept tucked away for emergencies gave off light on par with a 7-watt nightlight, this woman's lamp was more like a 40-watt light bulb. It was not...

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
