Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. NEVER GIVE YOUR SLANDERER THE PLEASURE OF RUINING YOU! Dear Reader, This book is not a religious one though I am Christian. On the contrary it is purely based on psychology, law and medicine. The defamation victim need not be a Christian in order to understand this book. It is a simple guide to enable people to help themselves. This is a guide for slander victims; it will help them to understand their perpetrators and handle the problems effectively. It aims at helping the slander victims to realize their responsibilities to themselves, get back their lost health (physical, mental, emotional and spiritual), and to heal, rebuild themselves more stronger and emerge as a winner. If you have a family member or friend who is being slandered, kindly recommend this book to them. If you have any other doubts after reading this book feel free to leave an email. I will be glad to be of help. I started a new page today on FB titled Sandra Houston-Counseling Prayers. You can leave a message there. Like I said this book focuses on psychology, medicine and legal aspects only (though it is written with much love and prayers). Even kids can understand it as it simple devoid of any technical jargon. So feel free to share what you read here with people in your lives who needs it. God bless you! -Sandra Houston.
