

Ticks: A Monograph of the Ixodoidea (Classic Reprint)

By George H F Nuttall

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Ticks: A Monograph of the Ixodoidea The discovery of the economic importance of ticks as carriers of disease to man and domesticated animals has led to a vast increase of our knowledge of this group. No existing work in any language attempts to deal with the subject in a comprehensive manner, and the student is confronted with a very extensive and widely scattered literature from which he derives an impression of hopeless confusion. There is therefore urgent need for a work of the nature here attempted. The book will deal with the Classification, Structure and Biology of Ticks, the study of the group having occupied the authors for several years. Practically all that has been published on the subject has received adequate consideration. The parts on Classification have entailed much labour since it was found necessary to revise a large amount of the work which has been done by others. The book will be very fully illustrated by numerous text figures and plates, the majority of which are original, the remainder reproduced from the best...
