Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

BH Publishing Group, United States, 2016. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. The church is going through a time of severe fracture over the issue of homosexuality. This book addresses the arguments from the gay Christian movement and revisionist theologians and exegetes on a single point: Can they withstand the evidence of the primary sources? In Unchanging Witness, Donald Fortson and Rollin Grams articulate the consistent orthodox view on homosexuality by presenting primary sources throughout Christian history and by interpreting the biblical texts in their cultural contexts. The first part of the book examines church history from the patristic period to the present day, and the second part engages biblical texts in light of Ancient Near Eastern, Jewish, Greek, and Roman primary sources. Throughout, the authors survey the conflicting and changing arguments of revisionist readings and contend that, in light of the overwhelming evidence of the relevant texts, the real issue is not one of interpretation but of biblical authority and Christian orthodoxy.
