Reviews

Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

American Psychological Association, United States, 2013. Hardback. Book Condition: New. Shelly Hegenberger (illustrator). 257 x 206 mm. Language: English . Brand New Book. Do you have a feeling that's visiting today? Can you open your door and invite it to play? Visiting Feelings encourages children to treat their feelings like guests - welcome them in, get to know them, and perhaps learn why they are visiting. Through this purposeful and mindful exploration, Visiting Feelings harnesses a young child's innate capacity to fully experience the present moment and invites children to sense, explore, and befriend all of their feelings with acceptance and equanimity. A Note to Parents provides more information about emotional awareness and mindfulness, plus practical advice and activities for introducing mindfulness into daily family routine.
