College senior Aeden thinks she's got it made when all she has to do is direct a Children's Theater play for her final projects. Unfortunately, her department head has something else in mind-adding his fourteen-year-old miscreant nephew, Wendell, to the cast. It doesn't take Wendell long to hack into Aeden's iPad and uncover the secret formulas for time travel that she and her brother found years ago. Wasting no time, Wendell decides to put the formulas to use in order to find the lost city of Atlantis. When Aeden discovers that Wendell is missing, she realizes that he has gone back to Ancient Minos on the island of Thera in the Aegean Sea-a civilization known for its brutal Ceremony of the Bulls and its penchant for human sacrifice. Will she be able to return him to the present day or watch as he becomes the next burnt offering for the gods?.
