Brand New Book ***** Print on Demand *****.Triumph Over Pain, Including Addiction and Obesity This book will revolutionize education, the way we think, and handle all problems - even war. This book proves that it is the money made on problems that prevents the solution. We suffer from lack of ethics. This book leads us to the work that proves that, by working together, without a financial agenda, we can solve our worst problems. Learn how TV news specials help save lives by presenting key facts and figures about the water cure protocol, and inviting Hydration Consultants to inform their listeners. Learn about the simple no-cost solution to eliminating most health problems and cutting two trillion dollars a year from health costs. Learn how entire countries have drastically reduced mortality rates through the adoption of the water cure (in Bangladesh called The Magic Bullet). Learn why, if salt were taken out of the ocean, all life would die. The same is true for people on low salt or no salt diets. Learn how, in the middle ages, people were often put to death by salt deprivation because it was the slowest, most horrible death known to man. Learn why people on...
