

Isaac: Trek to King's Mountain

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

ISAAC: TREK TO KING S MOUNTAIN

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Hunger, horrible weather, fatigue beyond imagination, constant fear of death, loneliness, and vengeance were constant companions of Isaac as he walked in moccasins, cross country, over 100 miles of wilderness terrain to fight in one of America s least known but most important battles in the American Revolution. Isaac- Trek to King s Mountain is the story of a teenage boy for whom isolation, daily wilderness survival, and Indian raids were not history lessons in a dusty book or on an internet site. They were 14 year old Isaac s day-to-day life. Isaac Hunt was a product of living in a remote wilderness farm under constant Indian danger, and a threat of destruction by the British. His loyalty was not so much to a political cause, but to his family, for a very good reason, his father had been recently murdered by the British. Reuben McGee, a master woodsman and aging longhunter, befriends and mentors Isaac, teaching him the wilderness and combat skills he will need to handle the hard days ahead. Isaac, Reuben McGee and Sara Fowler are fictitious characters. However, the other people, all of the political and military events, even the daily moves, weather and camp locations in this book, really happened in the bloody autumn of 1780. The Overmountain men might have thought better than to leave their homes to fight the British in a far-away land because the Cherokee were, at the same time, planning to attack the remote farms and settlements. But, the call to put down the British threat was too great. The men, called Overmountain men, who lived on the western side of the Appalachians took the gamble. King s...
