Forty-five, three kids and a great marriage. It all changed on April 29th with the impact of a giant solar flare. One minute he was finishing up a round of golf with his best friends and next he was next to his wives crumpled SUV, cradling her lifeless body in his arms. There was no way he could have known that Ritas tragic death would only be the beginning of a series of horrors that would test him and his friends. It was a chance message that connected Cade with feisty field reporter Steve Gaines. With a strong understanding of space and NASAs projects, he could never quite figure out exactly what NASA was doing with their side projects. His intellect and tenacity quickly attracted the attention of the Director of Space Operations at NASA. An exclusive visit, offered by the Director John Newburg, to the lower chambers of the Jet Propulsion Labs in Pasadena provided Steve with information on the true nature of what NASA was tracking. Intended to quiet the reporter, the visit...
