Oriole, swift oriole, All the Orient glories stole In the splendor of your sable and your orange plumes, Come from tropic lands of fire In your royal, rich attire, Like the dazzle of a dawning through the ebon mid-night glooms. Oriole, swift oriole, Like a fiery-hearted coal, Or a blazing topaz in the darkness of a mine, Like a blossom black as night With a breast of burning light, Or the jet and saffron banners of an autumn day s decline. Like a meteor s yellow spark In the bosom of the dark, Like the flaming treasures of the old Arabian caves, About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
