THE DAY TRADER: FROM THE PIT TO THE PC

[DOWNLOAD](#)

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, The Day Trader: From the Pit to the PC, Lewis J. Borsellino, Patricia Cummins, The S&P futures pit is the ultimate arena for traders. It is a place where trading titans make split-second decisions on huge amounts of money, and fortunes appear and vanish with the blink of an eye. Successful day traders are brilliant, aggressive-and lucky. Lewis J. Borsellino is all three. And now he is telling his story. The nation's top S&P futures trader, Borsellino takes you inside the world of the day trader. Chronicling Borsellino's incredible run on the floor of the Chicago Mercantile Exchange, The Day Trader offers a rare behind-the-scenes look at his everyday strategies and tactics. Raised to be a fierce and fearless competitor, Borsellino felt at home the first day he walked into the chaos and excitement of the Merc. In The Day Trader, he offers both a compelling story as well as an inside look at day trading and the S&P market. Borsellino outlines exactly what contributed to his unparalleled success-a rare blend of discipline, drive, intelligence, and an uncanny ability to read and interpret the market. The Day Trader is also a candid memoir of a second generation Italian American who learned tough life lessons from his father. The senior statesman of the S&P pit, Borsellino offers vivid firsthand accounts of the unique dynamics of the trading floor, the fortunes won and lost in the crash of 1987, the FBI investigation that rocked the futures trading industry, and the tense political battles between Merc titans Leo Melamed and Jack Sandner. He also shares war stories from the floor, many involving top traders such as Richard Dennis and George Soros. Finally, Borsellino chronicles the latest phase of his career, as he...
