

The Elixir of Immortality: A Modern-Day Alchemists Discovery of the Philosophers Stone

By Robert E. Cox

Inner Traditions International. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. A modern-day quest that echoes the ancient alchemists work to discover the elixir of life Provides an overview of alchemical practices in the ancient world--from Europe to China Reveals the alchemical secrets for creating this elixir in clear scientific language In 1989, while attempting to extract precious minerals from his property, a wealthy Arizonan obtained a mysterious white material that initially defied scientific attempts to identify it. After several years of testing, this substance was revealed to consist of gold and platinum--but in a form unknown to modern science. Further research showed that this powder, which had also been discovered to possess marvelous healing powers, contained monatomic forms of precious metals whose electron units had been altered to no longer display the physical, chemical, or electrical properties of the original elements. This substance, Robert Cox shows, bears eerie resemblance to the ultimate quest of the alchemists: the elixir of immortality. The mysterious material-spiritual science of alchemy was once pervasive throughout the ancient world, spanning the globe from China and India to Egypt and medieval Europe. In The Elixir of Immortality, Robert Cox reviews the alchemical...

Reviews

I just began looking over this pdf. It is one of the most amazing pdf i have study. I discovered this book from my dad and i recommended this pdf to understand.

-- Merritt Kilback II

Good e book and useful one. I have got read and that i am confident that i will likely to go through once more again later on. It is extremely difficult to leave it before concluding, once you begin to read the book.
