Three Leaves Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.FOREWORD BY BOB PROCTOR! Brian Tracy - Author of The Power of Self-Confidence says: This excellent book shows you how to release your potential for happier, more successful living. Vic Johnson - Founder, says: Some of the very best teachers were once some of the very best students. Benedicte demonstrates that in her first book, The Key to A Richer Life. Drawing on the many lessons she learned as an avid student of personal development, from a varied collection of sageful teachers, she capably synthesize her experience into an outstanding guide to squeezing all of the life out of life. Read it with the expectation that its going to challenge your thinking, because it most definitely will! DESCRIPTION: Why do we expose ourselves and thereby also those we love and care for, to a life only half lived, when we actually can get it all, we can live life to the fullest? So few have learnt to believe in themselves, or to really believe in and uncompromisingly strive for achieving their own dreams and aspirations in order to create the most amazing and richer life, on all levels. We all have our paradigms, and our fixed modes of thinking and acting and it is all too often that we let them rule our lives, or that we allow our here and now situation and our outside influences to direct and control our moods and our lives! All the way back to the early philosophers and thinkers, there have been writings about these fundamental principles of life - We become what we think! You are and you will receive what you are thinking about! Your thoughts affect...
