Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, My Letting and Travel Experiences, Vanda Morris, Vanda Morris offers her personal experiences with buying, selling and letting property in the UK and abroad. She started out in the 60s, when property, as an investment was almost unheard of and makes comparisons to how things are today. The reality of property investment, to most people, seems appealing and may see this as an easy option of making a lot of money. However, Vanda highlights the pitfalls and challenges that come with property letting, and gives invaluable advice to potential landlords who want to take the same route. Other than her views on property, she also talks about her travel experiences. Vanda has travelled to Spain, Austria, Italy, Switzerland, France and Tunisia. Having lived through World War Two, she reveals what life was like for her as a child and why she feels people were happier in those days, and how she chooses to live to be happy.
