Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Notes on Grasses and Forage Plants, Vol. 1: Of the Southeastern States Sir: I have the honor to transmit herewith for publication some notes on the grasses and forage plants of the Southeastern States, prepared by my assistant, Thomas H.Kearney, jr. These notes are based upon direct observations in the field, made in accordance with a commission from the Secretary of Agriculture under date of June 18, 1895.In accordance with his instructions Mr. Kearney visited Knoxville, Tenn. jSelma and Mobile, Ala.; Tallahassee, Apalachicola, Jacksonville, and St. Augustine, Fla.; Savannah and Augusta, Ga.; Aiken, S. C;Wilmington, !N.C, and Norfolk, Ya. He was directed to note all the species of grasses at the several points visited, and to gather all facts obtainable relative to them which might be of. scientific or economic interest. Material assistance in accomplishing this work and much valuable information concerning the grasses and other forage plants of their respective localities was furnished by Dr. Charles Mohr, of Mobile, Ala.; Dr. A. WChapman, of Apalachicola, Fla.; Judge R. C. Long, of Tallahassee, Fla., and Capt. W.W. Woolsey, of Aiken, S. C. The paper here presented is divided into two parts the first, devoted to forage plants of actual or possible value, the several kinds being enumerated in alphabetical order for more ready reference; the second comprises a list of all the species of Gramineae collected or seen, arranged according to their natural classification, with observations of purely botanical interest. This arrangement of the matter separates the economic from the scientific portions of the report, which will be appreciated alike by the farmer and the botanist. About the Publisher Forgotten Books publishes hundreds of thousands...
