Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Proverbs Project was created to inspire people that enjoy reading to enjoy Proverbs as well. The bible is a large assortment of many books (66 to be exact) all rolled into one. What we noticed is that each of those books could be enjoyable as a book by themselves. Christians around the world have been reading the bible for years, there have been many new translations of the bible as if changing what is says will make it easier to read. The bible is like a poem or story written many years ago, and you have to read it in the character of what it was originally meant to be. This way you can receive to full impact of each story, each history lesson, each beautiful word that our Lord as meant for us to hear. Take you time and read this book over and over again, for a christian believer it s so refreshing. God s word is like a refreshing water fall splashing over the Christians soul on a hot dry day in the world. Devotional books try to explain different things, and try to help you with your daily life. But the bible can help you and refresh you just in regular reading. And this book is the Proverbs of Solomon written in plain text with zero reference material. It s meant to be enjoyed, loved and read over and over again. Let s let God speak to us through the continual reading of his words like they were meant to be in plain text. Take the time to look at yourself, and read these timeless words of wisdom. Proverbs covers every aspect of...
