Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Skeleton Key To introduce the last book by the late Bernard Capes is a sad sort of honour in more ways than one; for not only was his death untimely and unexpected, but he had a mind of that fertile type which must always leave behind it, with the finished life, a sense of unfinished labour. From the first his prose had a strong element of poetry, which an appreciative reader could feel even more, perhaps, when it refined a frankly modern and even melodramatic theme, like that of this mystery story, than when it gave dignity, as in *Our Lady of Darkness*, to more tragic or more historic things. It may seem a paradox to say that he was insufficiently appreciated because he did popular things well. But it is true to say that he always gave a touch of distinction to a detective story or a tale of adventure; and so gave it where it was not valued, because it was not expected. In a sense, in this department of his work at least, he carried on the tradition of the artistic conscience of Stevenson; the technical liberality of writing a penny-dreadful so as to make it worth a pound. In his short stories, as in his historical studies, he did indeed permit himself to be poetic in a more direct and serious fashion; but in his touch upon such tales as this the same truth may be traced.
